Crystal clear highs and deep thunderous lows. EFX convertible speakers feature a 19mm silk dome swivel tweeter to reproduce the clarity previously only available live. The woven composite cone gives the vocals warmth and powerful sound like your standing in the front row. The EFX 10", 12" or massive 15" woofers give you the heart pounding bass you expect. Powered with our new EFX Hyperdrive Pro-series amplifiers, your concert experience is ready to roll.
